## PROFILE SUMMARY

I'm a passionate UI / UX Designer dedicated to creating intuitive, user-friendly experiences. I designed a hostel-finding app that simplifies searching and booking, and I'm currently working on Floral Hetauda, a flower-selling platform. Skilled in Figma, user flow design, and wireframing, I thrive on solving complex design challenges. My goal? To craft seamless, beautiful interfaces that make an impact.

## EDUCATION

2023-2026

TRIBHUVAN UNIVERSITY

- BSc CSIT Student: 8th Semester  
Hetauda City College- HETAUDA

## WORK EXPERIENCE

Sales Associate(Retail & Hardware)

2023 - PRESENT

- Oversaw complete sales cycles — from client interaction and product preparation to delivery and after-sales support — across both floral and hardware sectors.
- Strengthened customer satisfaction and brand consistency by aligning retail presentation, logistics, and service quality with business objectives.

## SKILLS

### UI/UX & Visual Design

- Figma (Wireframing, Prototyping, High/Low-Fidelity Mockups)
- Typography, Color Theory, Layout Design
- Interactive Prototypes & User Flows

### Front-End & Collaboration

- Basic HTML/CSS for front-end collaboration with developers
- Responsive Design & Component-Based Design

### Professional & Soft Skills

- Adaptability & Time Management
- Communication & Teamwork
- Ability to work effectively in collaborative environments

### Additional Skills

- Wireframing & Prototyping Tools
- Computer Literacy & Productivity Software

Design Volunteer, Community Design & Awareness Program

2022-2023

- Created visual materials and digital content using Figma to support awareness campaigns on creative literacy and sustainability.
- Assisted in design workshops, guiding participants through UI/UX fundamentals and visual storytelling.

UI/UX Design Trainee, Space Chimp Academy

2024- 2025

- Collaborated on real-world UI/UX projects under senior designer mentorship, delivering wireframes, high-fidelity prototypes, and interactive designs using Figma.
- Conducted user research, usability testing, and iterative design improvements to optimize user flows, engagement, and overall product experience.

## PROJECTS

### Hostel Finding App, (UI/UX Designer & Researcher)

- Designed an intuitive mobile application to streamline hostel search and booking, optimizing user flows, accessibility, and cross-device usability.
- Conducted user research and usability testing, iteratively refining navigation, booking flows, and interaction patterns to enhance overall user experience.

### Floral Hetauda, (UI/UX Designer & Brand Designer)

- Crafted a full e-commerce experience, including branding, UI/UX strategy, scalable Figma components, and high-fidelity prototypes.
- Defined brand identity through typography, color palettes, and visual systems, balancing aesthetics with usability and navigation efficiency.

### Smoothie Animation, (UI Motion & Interaction Designer)

- Designed onboarding animations and micro-interactions to improve user engagement, integrating Figma Smart Animate and After Effects for seamless transitions.
- Delivered motion experiences that enhanced usability, reinforced brand personality, and created visually compelling user interactions.
